- quizzes
- cultural events

Entry free

illustrating Indo-German education, research, business and cultural collaboration

The DWIH New Delhi will serve as a 'one-stop shop' for interested students, researchers, employment seekers, business men and potential partner institutions. It disseminates information about the higher education, research landscape, funding sources, business opportunities and work in Germany. The DWIH is set up with a view to promote and facilitate bilateral projects in education, language, science, research and innovation.
